Chhatrapati Shahu Ji Maharaj Government Polytechnic, Ambedkar Nagar | 2022 - Present

Intermediate

New Central Public Academy, Belthara Road | 2021 - 22

High School

St. Joseph High School, Bhatpar Rani | 2019 - 20

Skills

- **Programming Languages:** Python, JavaScript
- **Web Development:** MERN Stack (MongoDB, Express.js, React.js, Node.js)
- **Database Management:** MongoDB
- **Problem Solving:** Algorithmic Thinking, Debugging
- **Tools & Platforms:** Git, Visual Studio Code
- **Soft Skills:** Problem Solving, Team Collaboration, Project Management

Certification

Summer Training on Python - Ekana Technologies

Information Security - Saylor Academy

Python for Data Science - Saylor Academy

Employability Skills - JobReady - Wadhwani Foundation

Projects

Book Store Platform

- Developed an online book store using the MERN stack, providing an intuitive interface for users to browse, search, and purchase books.
- Integrated secure payment gateways and user authentication for enhanced security.
- Implemented an admin dashboard for efficient inventory management.

Super Mart E-Commerce Platform

- Built a full-stack e-commerce website for clothing sales using the MERN stack.
- Designed a responsive UI with React.js for seamless customer experience.
- Developed backend RESTful APIs using Node.js and Express.js.
- Managed product data storage with MongoDB, ensuring efficient database operations.

Additional Information

- Excellent problem-solving skills with a proactive approach to challenges.
- Effective communication and collaboration in team environments.
- Continuous learner, staying updated with emerging technologies.
